RESEARCH INTERESTS

Clinical interventions for children and families: Adaptation of interventions for SGM-headed, multiracial, and adoptive families; Child welfare, SGM youth

RESEARCH EXPERIENCE

Boston Children's Hospital, Boston, MA

Psychiatry Department

Postdoctoral Research Fellow

2018-Present

Principal Investigator: Kimberly O'Brien, PhD

1R34AA025763-01, National Institute on Alcohol Abuse and Alcoholism. Randomized Clinical Control Trial of brief alcohol intervention for adolescents who have attempted suicide

- Deliver motivational enhancement individual and family intervention session
- Conduct data analysis
- Prepare manuscripts and present findings

Boston College, Chestnut Hill, MA; **University of Massachusetts**, Amherst, MA

Research Assistant

2015-Present

Principal Investigators: Hal Grotevant, PhD; Ruth McRoy, PhD

Minnesota/Texas Adoption Research Project (MTARP)

- Conduct in-depth phone interviews
- Conduct data analysis
- Prepare manuscripts and present findings

Walker Treischman Institute for Training and Research, Needham, MA

Research Consultant

2017

- Conducted in-depth literature review
- Prepared report and presented findings

Boston College, Chestnut Hill, MA

Research Assistant

2016-2017

Principal Investigator: Summer Hawkins, PhD

Breastfeeding initiation research project

- Conducted literature review
- Entered and analyzed data

Boston College, Chestnut Hill, MA

Research Assistant

2015-Present

Principal Investigator: Jim Lubben, PhD

- Maintain Lubben Social Networking Scale (LSNS) website
- Serve as primary contact for LSNS requests
- Consult on scale use and modification for new populations
- Present on use of LSNS to measure social isolation
