Selected Conference Presentations

Research identity in Roma scholarship. Presentation at Culture Beyond Borders: The Roma Contribution, April 2017, Cambridge, MA.

Trauma informed case management for human trafficking: The importance of evaluation and evidence-based practice. Paper presented at The Society for Social Work and Research annual meeting, January 2013, San Diego.

Improving research with hard-to-reach populations in a global setting (Invited Symposium). Paper presented at the Society for the Social Work and Research annual meeting, January 2010, San Francisco.

Methodological considerations in research on human trafficking. Paper presented at the Society for Social Work and Research annual meeting, January 2010, San Francisco.

Partnering with your IRB in evaluating minimal risk social work research. Paper presented at the Annual Program Meeting of the Conference of Social Work Education, October 2010, Portland, OR.

Best practices in international service-learning classes. Paper presented at International Social Work conference, July 2009, Jersey City, NJ.

Culturally appropriate intervention with Rwandese refugees. Paper presented at International Social Work conference, July 2009, Jersey City, NJ.

A ten-year review of family preservation research: Building the evidence base. Paper presented at The Society for Social Work Research annual meeting, January 2009, New Orleans.

How do social workers understand and respond to domestic violence. Paper presented at The Society for Social Work Research annual meeting, January 2009, New Orleans.

Best practices in child protection: Cross-training and community collaboration. Paper presented at the Annual Program Meeting of the Conference of Social Work Education, October 2007, San Francisco.

Teaching social justice in international service-learning classes. Paper presented at the Annual Program Meeting of the Conference of Social Work Education, October 2007, San Francisco.

Can you call it racism? An organizational case study and role play approach. Paper presented at Social Work for Social Justice: Strengthening social work practice through the integration of Catholic social teaching, June 2007, St. Paul, MN.

Evaluating the efficacy of Michigan's Families First program. Paper presented at The Society for Social Work Research annual meeting, January 2006, San Antonio, TX.

Addressing social justice issues through international service learning opportunities. Paper presented at the Atlantic Coast Conference IAC Biennial Conference, Nov. 2005, Blacksburg, WV.

An examination of best practices in cross-training for child protection workers. Paper presented at annual conference of The Society for Social Work Research, January 2005, Miami, FL.

Students and social work professionals: Impact of the WTC disaster. Paper presented at the annual conference of The Society for Social Work and Research, January 2003, Washington, D.C.

Students and professionals: Impact of the WTC disaster on mental health providers. Presented at Disaster Psychiatry Outreach's International Congress, April 2003, Arlington, VA.

Results based accountability: Involving citizens in the process. Keynote speech presented on the occasion of the 10th Anniversary of the Verwey-Jonker Instituut, October, 2003, Utrecht, The Netherlands.

Identifying outcome measures. Invited paper presented at the annual meeting of municipal service providers, November, 2003, Trondheim, Norway.
